Review Committee File No. 868
General Construction Grievance No. D.Gr/C 3-68-9
William C. Mason - Transfer and Expenses

May 20, 1970

MR. M. H. CHANDLER, Chairman
General Construction
Joint Grievance Committee

The above-subject grievance has been discussed by the Review Committee and is being returned to the Joint Grievance Committee for settlement in accordance with the following:

It is the Review Committee's opinion that the grievant's one-day assignment to Concord was a special assignment as defined in Section 301.9 of the Physical Agreement and that he was properly paid travel time and personal automobile allowance between Walnut Creek and Concord.

Since there was no intent to transfer the grievant to a new headquarters he does not qualify for a renewal of expense allowance under Subsection 301.4(b).

This case shall be considered closed and so noted in the minutes of the next Joint Grievance Committee meeting.
