MR. D. W. PHIPPS, Chairman
Materials Distribution
Joint Grievance Committee

The Review Committee has discussed the above subject grievances and is returning them to the Division for final disposition in accordance with the following:

Inasmuch as the 1970 Materials Distribution bargaining addressed itself in part to this issue, the Review Committee is of the opinion that the job assignments in question were proper and can be supported by the reorganization of job duties in the Materials Distribution Department.

The cases are considered closed and should be so noted in the minutes of your next Joint Grievance Committee meeting.
