October 12, 1970

MR. M. A. ERSKINE, Chairman  
Drum Division  
Joint Grievance Committee

The Review Committee has discussed the above-subject grievance and is returning it to the Division Joint Grievance Committee for settlement in accordance with the following:

The dispatching of customer complaints is one of the primary duties of the Foreman's Clerk at this headquarters.

As there are two Foreman's Clerks available at this headquarters, their schedule can be arranged so as to provide relief for one another during the lunch hour. However, when one of the Foreman's Clerks is unavailable at any time, the Assistant Foreman's Clerk may be assigned to the dispatching of customer complaints function in accordance with his job definition.

This grievance is considered closed and should be so noted in the minutes of the next Joint Grievance Committee meeting.
