RE LETTER OF
SUBJECT Review Committee File No. 1041
General Construction Grievance No. D.Gr/C 3-70-12
Class "A" Residence Certificate, Mrs. Betty J. Thomas

August 19, 1971

MR. M. H. CHANDLER, Chairman
General Construction
Joint Grievance Committee

The Review Committee has discussed Mrs. Thomas's grievance concerning her request for a Class "A" Residence status. We are returning the grievance to your Committee for settlement in accordance with the following:

The Review Committee is of the opinion that Mrs. Thomas's grievance does not involve a present controversy. The ultimate issue raised by the facts concerns her eligibility for Class "A" Residence expenses when she is transferred from the Diablo Canyon Project. This question cannot be answered in any event until such time as she is transferred. This is to say that her entitlement to Class "A" Residence expense is a separate and distinct issue from the filing of the application. To be entitled to such expenses, she must qualify under the provisions of Title 301 at the time of her transfer from the Diablo Canyon Project.

The Review Committee is closing this case with the understanding that Mrs. Thomas has made a timely application for a Class "A" Residence expense allowance and that her eligibility for such allowance will be determined when she is transferred from the Diablo Canyon Project.
