MR. E. E. STRAND, Chairman

Joint Grievance Committee

The above-subject grievance has been discussed by the Review Committee and is being returned to the Division Joint Grievance Committee for settlement in accordance with the following:

The job definition of Special Mechanic is a consolidation of the job definitions of the various classifications which were incorporated into the Special Mechanic classification. The job definition, as it is written, is not intended to preclude the performance of any duties historically done by any other classifications. The Review Committee is of the opinion that the staging done by the Mechanic is in keeping with his historical duties.

This case is considered closed and should be so noted in the minutes of the next Joint Grievance Committee meeting.
