Humboldt Division Grievance No. D.Gr/C 19-71-2  
Operators Collecting Certain Particulate Air Samples

August 23, 1973

MR. R. C. ATKINS, Chairman  
Humboldt Division  
Joint Grievance Committee

The Review Committee has discussed the above subject grievance and is referring it back to the Division for final disposition in accordance with the following:

The purpose of operators collecting air samples has significantly changed since the establishment of the job definitions for operators at Humboldt Bay Power Plant.

The Review Committee is of the opinion that the Division should update their procedure in this regard, and the Division Joint Grievance Committee should resolve this grievance locally.

MR. R. C. ATKINS, Chairman  
Humboldt Division  
Joint Grievance Committee

The above-subject Review Committee case has been discussed at recent meetings of the Committee.

It is the opinion of the Review Committee that the assignment to operators of the collection of particulate air samples, at the Humboldt Bay Power Plant, is proper.

This case is closed and should be so noted in the minutes of your next Joint Grievance Committee meeting.
