 RE LETTER OF
 SUBJECT Review Committee File No. 1074
 East Bay Division L.I.C. Grievance No. 1-71-9
 Demotion of James Allmon, T&D Equipment Operator,
 Electric, Oakland

August 6, 1971

MR. D. J. BERGMAN
 East Bay Division
 Local Investigating Committee

The above-subject grievance has been discussed by the Review Committee in its recent meetings. It is returned to the Division with the following instructions:

The grievant was demoted from T&D Equipment Operator to Groundman and a significant portion of the correction asked for through the grievance was that he be reinstated to Equipment Operator. Inasmuch as the grievant has subsequently bid and been awarded an Apprentice Lineman classification, the Review Committee will consider this case closed without prejudice to the position of either party.
