Review Committee File No. 1210
Pipe Line Operations Grievance No. D.Gr/C 11-72-4
Overtime Assignments at Hinkley Compressor Station

January 17, 1974

MR. R. W. HORTON, Chairman
Pipe Line Operations
Joint Grievance Committee

The above-subject grievance has been discussed by the Review Committee and is being returned to your Committee for further investigation and discussion.

The Joint Statement of Facts indicates that the Fact Finding Committee did not have an opportunity to talk to Mr. Ray Francis as he was on vacation at the time of the investigation. The Review Committee is of the opinion that the Committee should interview Mr. Francis in an attempt to establish whether or not the grievant was given consideration and subsequently bypassed with the understanding that he was not available for the assignment.

After the investigation is completed, the Joint Grievance Committee should review the case in light of Review Committee Decision Nos. 1079, 1145, 1148, 1188, 1241, 1245, 1269, 1272, and 1305 and try to reach a settlement in accordance with the guidelines established in those grievances. If not, then the grievance should be returned to the Review Committee for settlement.
