 RE LETTER OF
 SUBJECT Review Committee File No. 1271
 East Bay Division Grievance No. D.Gr/C 1-73-9
 Bypass of Senior Lineman to Line Subforeman

August 22, 1973

MR. W. FUNABIKI, Chairman
 East Bay Division
 Joint Grievance Committee

The Review Committee has discussed the above subject grievance and is returning it to the Division Joint Grievance Committee for settlement in accordance with the following:

Based on the fact that the upgrade for eight hours' straight time on January 2, 1973 was made by the supervisor using the best available seniority date for Mr. Adkins, the Review Committee agrees it was proper. This date was corrected on January 5, 1973.

Further, by the facts presented, Mr. Adkins was the senior Lineman on the call-out list for upgrade to Line Subforeman, using either seniority date on January 8, 1973, and for the three and one-half hours' call-out on January 10, 1973. With these facts then, there is no issue.

The Division will review the eight-hour straight-time upgrade assignment of January 10, 1973 to determine if the correct employee was upgraded using Mr. Adkins' corrected seniority date. If Mr. Adkins was not the proper employee to be upgraded, the Division will make the necessary corrections to pay the employee who should have received the upgrade.

This case is considered closed and should be so noted in the minutes of the next Joint Grievance Committee meeting.
