Review Committee File No. 1326  
Sacramento Division Grievance No. D.Gr/C 6-73-3  
Bypass of Apprentice Lineman, San Francisco, to  
Apprentice Lineman, Rio Vista

205.7

November 26, 1973

MR. D. A. ROTHENBUSH, Chairman  
Sacramento Division  
Joint Grievance Committee

The above-subject grievance has been discussed by the Review Committee and is being referred back to the Division for settlement in accordance with the following:

The Joint Statement of Facts indicates that the grievant did not become the senior bidder until May 24, 1973. Prior to this, he submitted a prebid to Lineman, San Francisco Division, on February 28, 1973, and was awarded a Lineman's job in San Francisco Division on April 20, 1973. The Review Committee is of the opinion that when his status changed from Apprentice Lineman to Lineman he no longer was a valid 205.7 C postbidder. This opinion is predicated on the fact that at the time of the award he was no longer considered as being in a classification same, higher, or next lower to Apprentice Lineman as outlined in Title 600 of Job Definitions and Lines of Progression, Division Electric Departments, and the Master Apprenticeship Agreement, Paragraph D, Journeyman Bids.

This case is considered closed and should be so noted in the minutes of your next Joint Grievance Committee meeting.
