- PRE-REVIEW REFERRAL Job Duties of EJSchmidt, Lineman

MR. M. E. BENNETT, Chairman
East Bay Division
Joint Grievance Committee

The above-subject case has been discussed by the Review Committee and is being returned to the Joint Grievance Committee for settlement in accordance with the following:

The Joint Statement of Facts indicates that the grievant, a Lineman, was assigned various switching operations on March 26, 1979, as a result of a GC Gas Crew needing to enter a transformer enclosure. The Union had requested that the grievant be paid as a Line Subforeman even though a crew was not required for the job in progress. In the opinion of the Review Committee, the job in question required a Troubleman as opposed to a Lineman or Line Subforeman, and to that end agree that the grievant should be paid as a Troubleman for the day in question.

This case is considered closed on the basis of the foregoing and the adjustment provided herein, and the closure will be noted in the minutes of the next Joint Grievance Committee meeting.
