

TO: PG&E STAFF
From: Darrel Mitchell
Date: June 20, 1989
Subject: 88-104 LETTER AGREEMENT

207²

=====
Recently we have been asked if the provisions of 88-104 would be violated if PG&E Regions assigns work to General Construction and General Construction in turns elects to contract out the work.

We discussed the issue with Mr. Bergman on this date.

We agreed this application would be a violation of 88-104 and, further, PG&E has previously advised the Regions of the same.

cc: David Bergman
