From: California-Nevada JATC
Date: 7/25/2016
Re: NCCCO Crane Recertification Test

The California-Nevada J.A.T.C. is offering a crane recertification test. There will be a two day refresher course on Wednesday and Thursday before the recertification test.

Class date: September 14 - 16, 2016

Test date: September 16, 2016

Time: 8:00 am

Deadline to register 8/26/16

Location: I.B.E.W. Local 1245
30 Orange Tree Circle
Vacaville, CA 95687

There are only ten (10) spaces available for the recertification test. Test costs are paid by the California-Nevada J.A.T.C. To sign up and get an application for the test, please visit our website at www.calnevjatc.org and click on web services tab. **Test availability is based on first come first serve basis.** You are **NOT** registered for the test until your completed application is received by our office and your spot is confirmed.

****The test is *offered only* to those members who have previously been certified through the California-Nevada JATC****
