**Re: Outside Amendment – Approved  
Local Union 1245 and Wellington Power Corp., Metering**

Dear Brother Dalzell:

The above-referenced amendment, received in this office on June 21, 2018, has been processed for approval in accordance with IBEW policy and Article XV, Section 6 of the *IBEW Constitution*.

This amendment contains mandatory Category I language and optional Category II language developed by the IBEW. There can be no changes of Category I or Category II language by the local parties, and any changes in conflict with Category I or II language are understood to be unapproved.

For Davis-Bacon wage and fringe benefit determination purposes, the Wage Certification Form WD-10 is found at <http://www.dol.gov/whd/programs/dbra/wd-10.htm> which is to be processed and retained in your office as stated in the instructions. For questions on completing this form, please review the instructions at [www.dol.gov/programs/dbra/WD10Instrctns/wd10instructions.htm](http://www.dol.gov/programs/dbra/WD10Instrctns/wd10instructions.htm). Additional forms will be supplied by the regional office of the U.S. Department of Labor, Wage and Hour Division, upon request, and must be filed for every COUNTY in the local union's jurisdiction on a continuing job-by-job year-round basis. Also, the Fringe Benefit Summary (Form 654) is available in electronic format in *Local Connections* on the IBEW website.

With best wishes, I am

Fraternally yours,

Lonnie R. Stephenson  
International President
