My dear Mr. Weakley and Members of Local 15,

Thank you very much for sending the official notice of your Bi-Annual Meet to help out a sister local union well

We have indeed suffered a shock and great loss in losing our brother, with broken hearts are sad and heavy. It will be a long time before we can carry on without him. We miss him so.

I am sure you will all agree that the meeting, the pleasant company with notice of Scott's death, picture, and very nice dinner and entertainment, has been the most kind of you.

We are grateful to all the members of the Local Union for the support and encouragement we received during the past several months, and discussed a number of activities which are planned for the coming months.

Proposed activities, according to the President, included an International Delegate at the meeting, a trip to Washington, D.C., and the Bi-Annual Meeting of the International Union.

Sincerely,

A. DORIS M. MILNE
