Floods Hit 1245 Members in N. Calif.

Yuba City Steward Dies When Shanghai Bend Levee Gives Way

Members of Local 1245 residing in many areas of Northern California suffered loss of homes, furnishings, autos and other damage during the Christmas week floods. Damage reports from Yuba City, Santa Cruz area, and the Marysville-Yuba City areas are now being analyzed at Union headquarters.

Residents of Yuba City, Marysville and the surrounding rural areas in Yuba and Sutter Counties went through a terrifying experience and suffered the worst economic blows ever struck in this rich agricultural area.

Bill Meier, a member of Local 1245, was working on the levee which broke through and engulfed Yuba City with Feather and Yuba river waters on December 23rd. Arthur Meier, brother of our late member, also lost his life in the break-through. The bodies were found more than a mile west of the levee break.

The streets in the lower area of Yuba City were completely demolished. Many of the buildings along side the river were swept all the way to the Pacific Ocean by the wild waters. Literally hundreds of homes in the southeastern section of Yuba City were completely demolished. Other hundreds were washed off their foundations and floated as far as one-fourth mile before settling on top of other buildings, automobiles and higher ground.

Although desperate attempts had been made to hold back the rampaging waters it proved to be a lost cause—too much water, too little levee.

A preliminary survey of the Yuba-Sutter area indicates that at least 37 of our Local 1245 Union members suffered property damage totaling more than $100,000. Individual losses range as high as $33,000. Additional checks are being made in all areas which suffered flood damage to get an accurate picture of the actual losses sustained by our members.

The Executive Board, meeting on January 8th, passed the following resolution:

THEREFORE, LET IT BE RESOLVED: That all monies subscribed and collected on behalf of Local Union 1245 Disaster Aid Fund be turned over to Howard Severy and George Wagner for deposit in Local Union 1245 Disaster Aid Fund. The aforementioned amounts were subscribed and collected in the name of George Wagner and Howard Severy.

Top picture shows some of the debris carried to the Santa Cruz beach by San Lorenzo River flood waters which spilled into the business area. Giant dead trees from far up the river were swept all the way to the Pacific Ocean by the wild waters.

A house was tilted at a crazy angle on top of railroad tracks and another was buckled against the rail embankment as the flood waters back-flowed over the greatest part of Yuba City, a depth of 8 feet. Agencies experienced in estimating losses of this nature have reported that at least 1,013 received major damage, and 1,041 received minor damage in the area. In addition, it is estimated that 82 farm buildings were destroyed, 154 suffered major damage and 201 sustained some amount of harm. There were 35 other buildings destroyed, 130 with major damages and 49 with some form of damage. Private property losses are conservatively estimated at $63,000,000 and losses to public property run to more than $27,000,000 in the Yuba-Sutter areas.

Thirty-two lives were known to be lost due to the flood and it is feared that many more bodies will be found as the clean-up continues in the area, with great numbers of all, mud and sand still to be leveled off.

The flood disaster in Yuba City is a vivid example of a totally destroyed home. As the flood waters receded hundreds of similar scenes confronted the returning residents.

RESOLUTION REGARDING FLOOD DISASTER AID FUND
WHEREAS: Many members of Local Union 1245 have suffered hardship, financial and otherwise, due to the recent storms, and
WHEREAS: It is the wish of the Local Union to assist these distressed members,
THEREFORE, LET IT BE RESOLVED: To establish Local Union 1245, International Brotherhood of Electrical Workers, Disaster Aid Committee for the purpose of obtaining funds to aid members of Local Union 1245 who suffered losses due to the recent floods.

PROPERTY OWNERS AND SISTERS WHO HAVE SUFFERED—
RESOLVED: That the disaster aid fund be made available to all members suffering losses due to the recent floods.

FURTHER RESOLVED: That all monies subscribed and collected shall be disbursed to those members designated by the Local Union Executive Board.

Let's Give Generously...

To: Disaster Aid Fund

The Need for Funds is URGENT. These are our Own Brothers and Sisters who have suffered Severe Losses. In the Spirit of Brotherhood, Let Us Open Our Hearts and Our Purses.

Donations are voluntary and payable to:

Disaster Aid Fund, Local 1245
1918 Grove Street, Oakland 12, Calif.
Members Aid Flood Victims

We have received reports from all flood-damaged areas of Northern California about the various ways in which members of Local 1245 have helped their neighbors. The long hours of overtime work, under the most hazardous conditions, are an expected part of the job of a utility worker. We seldom give much thought to this aspect of our job.

Utility workers perform other voluntary services which add to the safety of their neighbors. In Santa Cruz, for instance, a group of workers, concerned about the welfare of their community, would have felt guilty if a great many dangerous situations were found, especially on Garfield, Burnett and Josephine streets in Santa Cruz, and on Roselle, Cedar, and Fourth streets in Oakland. The workers included Brothet A. M. Harper, Ray Kranich and Bill Hirth.

It’s this kind of community spirit, all over the flood areas which has distinguished the utility employees who are members of Local 1245. We want everyone to know that we’re proud of the accomplishments of these brothers and sisters.

Give to Disaster Aid Fund

"The greatest blessing we can receive is that which comes to us from giving." - Stew. E. L. Lingo

That remark was made by Brother A. H. Singleton of Santa Rosa, who just resigned from the PGE company to enter the ministry. It certainly seems appropriate to us, right now, as we undertake to raise funds to aid members and their families who have lost their homes, furniture, clothing, and other possessions because of flood and storm damage.

We hope that every member of Local 1245 will do his part to add to the safety of his neighbors.

Pacific & G/E Plans $310 Million Outlay On Construction

SAN FRANCISCO— Pacific & Electric Co., will spend nearly $310 million for new facilities in 1956, Norman R. Sutherland, vice president in charge of development, told a meeting of investors yesterday.

It is about the same amount the company spent for construction in 1955 and brings its total for the post-war period to $2,300,000,000.

The new plans include the first phase of a $375,000,000 expansion of the company’s "sugar" plant at Shingle Bay, Humboldt Bay, totaling an additional 225,000 kw. The plant will be added to the PG&E’s electric generating capacity, now more than 4,300,000 kw. The plant was completed by the California-Arizonia border in 1940, at the 5,000,000 kw. expansion, to be completed by Ne-

Merced Unit officers and shop stewards are pictured here with Bus. Reps. M. W. Munsie, A. H. Diedrich, and Bus. Rep. E. Runyan after attending the open meeting expressed interest in the reports on Union program and policies given by Mitchell and Rusby. The meeting was attended by all shop stewards and all trade union members in sponsoring free public education in the U. S.

### Research and Education Corner

(Compiled by Bus. Rep. Elmer E. Busby)

A recent meeting in Boston, the American Medical Association demanded "immediate termination" of the federal distribution of anti-typhoid vaccine. They believed this made a propaganda tool for use by the "vaccinationists of free enterprise." It seems that the doctors of this country, as well as those at least those of the middle and upper classes, are all afraid of the insidious spread of "socialism.

Eye Job Outlook

First annual quarterly meeting of the Northern California Joint Apprenticeship district was held here Tuesday. The meeting was opened by the vice-president, followed by the treasurer, then by the secretary-treasurer, W. H. Diedrich, and the outgoing conference president, M. W. Munsie. The purpose of this semi-annual meetings will be held on the second Saturday of each month. The meeting was opened by the president, in charge of D. H. Krump, International Representative. Of the 60 delegates representing the affiliated locals, there were many blessings and -

### Apprentice Expert

**Meets With De Saba, Shasta Units**

Bus. Rep. Roy D. Murray announced that Mr. Charles H. Geist, Apprenticeship Consultant for the California Division of Apprenticeship, will visit all our Shasta units and will be on hand to talk about a speaking program in our Northern Section.

Mr. Geist is a well known individual in the electrical industry. He is one of the leaders of the state unit and the divisions and the United Utilities.

### White Collar Workers Can't Go It Alone

(By Gerald W. Moran)

A recent article by nationally syndicated writer Hal Boyle of the Los Angeles Times was printed in The News. I would like to say this about Mr. Boyle: He is a very broad-minded and talented individual who was able to make his mark on the world. He was able to do so by focusing on his strengths and using them to their fullest potential.

### Tune In On Edward Morgan Tonight

Edward Morgan, ABC commentator, will be heard over the ABC network and will dream up new and more of the following units of DeSaba, Shasta properties:

- Redding, March 14.
- Porterville—KIP—Porterville
- 7:00 P.M.
- KMOD—Modesto—7:00 P.M.
- KYOR—Blythe—7:00 P.M.

### Merging Members

(SAN JOSE DIVISION)

When a member fails to report a change of address to his local or district so far as the records of Local 1245 are concerned, he may not get his newspaper, his Journal, or his monthly letter. We hope you will have many more years of success and pleasure in your “Operation Santa Claus.”

### Fresno

**Toys for Needy Kids Given By Fresnans**

Carrying on with the second annual toy drive which is being sponsored by the members of our Fresno unit collected and distributed 150 toys for needy children of their area. As a result of the thoughtfulness, generosity and unity of the Fresnans, Christmas cheer was brought to a great many children who might otherwise have been completely neglected.

Wall Kaufman, Chairman of the unit, advised that the members of the Fresno unit collected and distributed 150 toys for needy children of their area. As a result of the thoughtfulness, generosity and unity of the Fresnans, Christmas cheer was brought to a great many children who might otherwise have been completely neglected.

The year 1955 will be an important one in the history of our Local Union. We find ourselves facing a multitude of critical developments and issues.

In three decades of tension and uncertainty, we can predict, with any degree of accuracy, the probable future. We can, however, evaluate certain factors and try to develop programs to meet or offset potential or real problems.

The role of the organizing committee members. In the business meetings of the Local Union, we find a new degree of participation by our members in the affairs of the Union. We are appreciative of the constructive criticisms which are given us.

We have remained steadfast in the belief that our interests are the same as those of the membership. We are seeking to improve their financial status, to better the working conditions, and to promote welfare programs which will improve the members’ living standards.

The organizing committee is a permanent body, and its members are elected by the membership for a three-year term. It is the duty of the organizing committee to organize new members into the Local Union.

We are organizing members of a large company on the东北ern shore of Lake Washington. We have also organized several new members in the Seattle area.

The organizing committee is responsible for the development of the union structure. It has the authority to make decisions on organizing matters.

The organizing committee is also responsible for the collection of funds for the union. It has the authority to make decisions on financial matters.
