Bargaining nearly to dawn, union and company negotiators reached tentative agreement Oct. 15 on a new three-year contract that hikes wages, preserves company-paid medical premiums, improves the voluntary severance and early retirement packages, and increases payments to current retirees and to members now on Long-Term Disability.

The tentative settlement, the product of three months of bargaining, will be submitted to the union's members for ratification by mail during November. The settlement includes four agreements in all: Physical, Clerical, Medical, and Benefits.

Several provisions in the agreement address job and income security issues, a top priority expressed by union members at unit meetings last spring. Among these provisions are:

- Three-year wage protection for any member of the bargaining unit who is demoted for lack of work, regardless of whether the lack of work is the result of electric industry restructuring.
- Enhanced voluntary severance, where employees will receive two weeks pay for each year of service, in addition to four weeks pay plus a lump sum of $5,000—a virtual doubling of the existing package.
- Mandatory hiring of additional regular employees if and when use of contractors exceeds a certain threshold.
- Enhanced early retirement, permitting employees with 30 years service to retire without penalty at 55 years of age.

Details on these and all other changes in the labor agreement are contained in this edition of the Utility Reporter.

Union negotiators expressed satisfaction with the outcome of the bargaining.

"I was happy with it," said Donna Ambeau, a member of the union's bargaining committee. "I was glad that Clerical was included in the general wage increase."

"Frankly, I was surprised at how positive the agreement was compared to the company's initial stance," said bargaining committee member Mark Newman, noting that PG&E had dropped its proposal that bargaining unit employees pay a portion of medical premiums.

Union negotiator Larry Darby said the various subcommittees had helped pave the way for the agreement by tackling some of the toughest issues during six weeks of meetings in July and August.

"There were very professional, very knowledgeable union people on the subcommittees and they were a very good match for the people on the management team, who were also very knowledgeable," said Darby.

The agreement is subject to ratification by the entire Local 1245 membership at PG&E. Members will receive a mail ballot, along with instructions on how to use it, during the month of November. Care should be taken to return the ballot by the specified deadline.

TITLE 102. GRIEVANCE PROCEDURE

102.3 TIME LIMITS

It is the intent of Company, Union, and the employees that timely filed grievances shall be settled promptly. A local grievance is timely filed if it is submitted by the Union Business Representative or his/her alternate (hereinafter either is referred to as "Business Representative") in writing on the form adopted for such purpose to the Director, HR Service Center, 245 Market Street, San Francisco Division or Department Human Resources Manager or his/her alternate (hereinafter either is referred to as "Human Resources Advisor Manager"), or if a Business Manager grievance is timely filed when submitted by Union’s Business Representative to Company’s Business Manager’s Industrial Relations Manager and within the following time periods: (Amended 1-1-00)

(Physical Agreement continued on Page 6)
PHYSICAL AGREEMENT

(Continued from Page 5)

The Company shall, at Union's request, state in writing the reason for an employee's discipline, demotion or suspension within seven calendar days of receipt of such request by Union.

(3) Business Manager grievances which may be filed pursuant to (a)(ii) above shall concern contractual interpretation matters which have system-wide or classification wide implications. Business Manager grievances shall not involve an employee's discharge, demotion, discipline, promotion, demotion or transfer. (Added 1-1-00)

(b) Steps One Through Five Extension of Time Limits

Either the Company or Union members of any of the Committees provided for in each of the following grievance Steps One Through Five may, if they agree that further determination of fact is required, request an extension of time which may be granted by the other. In no case shall any extension by either or both parties exceed an additional time period provided for at the step where the extension is granted.

102.8 STEPS

STEP ONE

SHOP STEWARDS

Except for disputes involving an employee's discharge, demotion, suspension, discipline or qualifications for promotion or transfer, the initial step in the adjustment of a grievance shall be a discussion between Union's shop steward (or grievant or Business Representative if no shop steward is assigned to the work area) and the foreman or other immediate supervisor directly involved. The foreman and shop steward may discuss the grievance with the general foreman or other supervisor of corresponding authority. The purpose of such discussion shall be to reach a satisfactory disposition of the grievance but shall not waive or delay the filing requirements set forth in Section 102.3 above. Discussions shall be at such time and place as not to interfere with the work then in progress. (Amended 1-1-91)

Shop stewards shall be employees of Company, and Union may designate as many shop stewards as it deems necessary for the proper administration of its affairs and for the administration of the provisions of this Agreement.

STEP TWO

LOCAL INVESTIGATING COMMITTEE

Immediately following the filing of a timely grievance, a Local Investigating Committee will be established. The Committee will be composed of the Human Resources Advisor, Manager, the Business Representative, the exempt supervisor whose decision is involved in the grievance, and the shop steward representing the department involved. (Amended 1-1-00)

(1) The Human Resources Advisor, Manager and Business Representative will arrange for meetings of the Committee at times and places convenient for the persons involved. (Amended 1-1-00)

(2) The Committee shall meet as soon as reasonably possible and shall make a full and complete investigation of all of the facts pertinent to the grievance. If necessary to gain full information required to resolve the grievance, the Committee may hold investigative interviews with other persons involved in the dispute. Except for good cause to the contrary, the grievant shall be permitted to be present during these interviews. The grievant will not be a party to the disposition of the grievance, nor is the grievant's concurrence required for the Committee to reach a settlement of the grievance. Grievant, however, does have the right to point out the existence of other facts or witnesses favorable to grievant's case.

Notwithstanding the foregoing prohibition, with the written consent of the Union's Business Manager, or designee, the members of the Local Investigating Committee may include the grievant where such employee is also the shop steward representing the department involved in the grievance. In this limited situation, the shop steward/grievant may be a party to the disposition of the grievance. (Amended 1-1-91)

(3) Within 30 calendar days following the filing of a grievance which does not concern an employee's qualifications for promotion or transfer (except as provided in the next paragraph for Inter-regional or General Office Departmental prebids or transfer applications), or the employee's demotion, suspension or termination of employment, the Local Investigating Committee shall prepare a report of its findings, which shall include: (i) mutually agreed-to brief summaries of the reasons (facts or factors in dispute) why the Local Investigating Committee could not reach an agreeable disposition of the grievance; (ii) the report shall also contain a statement to that effect and the reasons therefore. (Amended 1-1-88)

Inter-regional or General Office Departmental prebids or transfer applications shall be subject to the further limitation, however, that the report of the employee's present Regional or General Office Departmental Local Investigating Committee shall be forwarded within 15 calendar days of the date a report was requested by the bypassing Region or General Office Department and further, the latter Committee must dispose of the grievance, in the manner described above, no later than 15 calendar days thereafter. (Amended 1-1-88)

If the grievance is not resolved in 30 calendar days following its being timely filed, either Company or Union may request "Certification to Fact Finding" for a local grievance, or referral to the Review Committee for a Business Manager's Grievance. If "Certification to Fact Finding" is not requested by either party, the grievance shall be automatically referred to the Region or General Office Department Joint Grievance Committee.

11. (Amended 1-1-00)

The referral in either event shall be accompanied by the report referred to above. The referral shall also include either an agreed-to summary or separate summaries of the reasons (facts or factors in dispute) why the Local Investigating Committee could not resolve the grievance.

If either party requests "Certification to Fact Finding," copies of the report and the request shall be forwarded to the Chairman and the Secretary of the Review Committee, if the Chairman and the Secretary of the Review Committee have rejected referral of the grievance to Fact Finding within seven calendar days following receipt of the request, or if the report of the Committee is not received within the seven calendar days following the expiration of time limits stated for resolution by the Local Investigating Committee, the grievance will be automatically referred to Fact Finding, the Joint Grievance Committee. Business Manager Grievances not resolved by the LIC within the time limits in Step (3) below will automatically be referred to the Review Committees. (Amended 1-1-00)

(3(b) Within 15 calendar days following the filing of a grievance which does concern an employee's qualifications for promotion or transfer (except as provided for above) or for Inter-regional or General Office Departmental prebids or transfer applications, or an employee's demotion, suspension or termination of employment, the Local Investigating Committee shall prepare a report of its findings as set forth in Subsection (a) above.

If such grievance is not resolved in 15 calendar days following its being timely filed, the grievance shall be referred to and accepted by the Fact Finding Committee. The reference shall also include the report referred to above and either an agreed-to summary or separate summaries of the reasons (facts or factors in dispute) why the Local Investigating Committee could not resolve the grievance. (Amended 1-1-88)

STEP THREE

FACT FINDING COMMITTEE

The Fact Finding Committee shall be composed of the Chairman of the Review Committee or his/her designee, the Secretary of the Review Committee or his/her designee, and the Human Resources Advisor and the Business Representative involved in the preceding step. (Amended 1-1-00)

The Fact Finding Committee shall hold hearings or meet at such places and times as it deems necessary to resolve the grievance. If the grievance is resolved by the Fact Finding Committee before the expiration of the 30 calendar days following the date of referral from the preceding step, the Chairman shall issue an agreed-to "Memorandum of Disposition," copies of which shall be distributed to each member of the Committee and to the grievant, and such others as the Committee determines.

If the Fact Finding Committee has not settled the grievance within 30 calendar days following receipt of or acceptance of certification, it may, by mutual agreement of the Secretary and Chairman, be:

(1) referred to arbitration; or

(2) referred to the Region or General Office Department Joint Grievance Committee; or

(3) referred back to the Local Investigating Committee for further information and/or instructions as to the grounds for settlement; or

If none of the foregoing can be mutually agreed to, the complete grievance file shall be referred to the Review Committee. (Amended 1-1-88)

STEP FOUR

REGION OR GENERAL OFFICE DEPARTMENT JOINT GRIEVANCE COMMITTEE

A "Joint Grievance Committee," shall be established in each geographical Region or General Office Department, in the Materials Distribution Department, in the Pipe Line Operations Department and in General, each Committee shall consist of three members appointed by the Company and three members appointed by the Union except that the Committee appointed in General Construction shall consist of five members appointed by Union and five members appointed by Company. The three members appointed by Union to the Materials Distribution Committee shall include the employee appointed to represent the office and clerical employees of such department. Employees who are appointed members of a Joint Grievance Committee shall be allowed only such time of which as is necessary for attendance at the Committee's meetings. (Amended 1-1-88)

There shall be no permanently established Joint Grievance Committee for the Communications and Building Departments of Company's General Office, the Gas Meter Repair Facility at Fremont and Debo Canyon Power Plant. Whenever it is necessary to refer a Joint Grievance Committee under this procedure, any of the above-named departments, committees, or local grievance committees, or local Joint Grievance Committees, or the Review Committee, may refer the grievance to a Joint Grievance Committee. The members of the Joint Grievance Committee shall represent the office and clerical employees of the department(s) involved, and all other employees of the department(s) involved. The Grievance Committee shall have the powers set forth in this article to resolve grievances which concern the office and clerical employees of any department involved in a grievance. (Amended 4-1-88)

The Committee shall, within 30 calendar days following its next regularly scheduled
PHYSICAL AGREEMENT

monthly meeting date after receiving the referral and report of the Fact-Finding Committee or the report of the Local Investigating Committee, whichever is applicable. (ii) Settle the grievance.

Any grievance where there is no settlement within 30 calendar days of the Chairman and Secretary of the Review Committee have not received a request for certification or arbitration within seven calendar days after receipt of such request, the grievance shall be automatically referred to the Review Committee.

A referral of Review Committee or request for certification or arbitration shall be accompanied by a joint-summary of the discussions held at the Region or General Office Department Grievance Committee meeting and a joint statement of the issues upon which they are in agreement, issues still in dispute and the reasons therefore; and the basis for settlement; if any, advanced by each. (Amended 1-1-86)

Notwithstanding any of the above in Step Four, Region or General Office Department may, by mutual agreement between the Company's Region or General Office Department Human Resources Manager and Union's Business Representative, elect to replace the Joint Grievance Committee with a Region/Department Joint Labor Management meeting as outlined in Section 6.4 of the Agreement. (Amended 1-1-86)

(Deleted 1-1-00)

The Review Committee shall consist of four representatives designated by Company's Manager of Industrial Relations, one of whom shall serve as Chairman of the Committee, and four representatives designated by the Union, one of whom shall serve as Secretary of the Committee. Company will not assume payment of any expense or lost time incurred by Union members of the Review Committee.

The committee shall maintain an agenda of the current cases referred to the Committee. So long as there are cases pending on the agenda, the Committee shall meet at least once each calendar month. These monthly meetings shall be scheduled for the fourth Thursday of each month unless the Chairman and Secretary agree to meet more often.

A. PRE-REVIEW COMMITTEE PROCEDURE

Thereafter, and prior to docketing, the Chairman and the Secretary of the Review Committee shall meet at a mutually agreeable time to determine the issues involved, issues still in dispute and the reasons therefore, and the basis for settlement, if any, advanced by each party. (Amended 1-1-00)

B. REVIEW COMMITTEE PROCEDURE

After the Pre-Review Committee meeting, referrals not disposed of shall automatically be added to the Review Committee Agenda.

(i) Cases for which preliminary grounds for settlement have been reached in the Pre-Review Committee meeting shall have priority over other cases. The parties shall, as expeditiously as possible, determine whether the preliminary grounds are dispositive of the matter. If the matter is not, the matter shall be treated in the same manner as any other referral.

(ii) Other referrals - Within 30 calendar days of docketing a grievance, the Company shall submit, in writing, a "Preliminary Disposition" of all new cases placed on the Agenda. Company may have a continuance for an additional 30 calendar days or until the next Review Committee meeting, whichever is later, to submit a Preliminary Disposition.

(iii) After receipt of the Preliminary Disposition, Union shall have 30 calendar days or until the next scheduled Review Committee meeting, whichever is later, to submit to the Company a "Counter-Preliminary Disposition."

(iv) After receipt of Union's "Counter-Preliminary Disposition," a matter may, at the option of either party, be set over to the next scheduled Committee meeting if, in the view of either party, compromise or settlement appears possible. (1) Settlement.

(2) Acceptance of Company's "Preliminary Disposition."

If a matter so suspended has not been referred to an Ad Hoc Negotiating Committee for interim negotiations within 15 calendar days of the receipt of the case from the Review Committee and, provided further, if neither has been made within that time period, the case may, within five calendar days of the expiration of said 15 calendar days, be filed for arbitration pursuant to the applicable provisions of the applicable Labor Agreement then in effect between the parties. If not filed for arbitration or if the 15-day limits are not waived as provided for hereafter, or if the grievance has not been withdrawn, the grievance shall be considered finally settled without prejudice.

If Ad Hoc Negotiations are agreed upon within the time periods provided, the Committee will meet and confer at the earliest date that can be arranged between them. The Committee will meet thereafter as often as both parties deem necessary to effect an early disposition of the issues involved. The Committee is empowered to render a final, binding disposition of the case. Such decision will be reduced to writing, signed by both Union and Company, and distributed to each to Union members and Company's management as each deems necessary to effectuate the decision.

If an Ad Hoc Negotiating Committee is unable to reach a disposition of the "suspended" case within 180 days of the date the case was suspended, and if within that period of time neither party has notified the other in writing of their intent to submit said case to arbitration, then at the expiration of said 180 days, the case shall be automatically closed without prejudice, unless there is mutual agreement that the case be terminated by other means.

While "suspended," the preliminary disposition proposed by either party may, upon mutual agreement of the parties, be placed into effect anywhere without prejudice to either party. If both have submitted preliminary dispositions that provide for different methods of resolving the issues, either or both may, but mutual agreement, be put into effect for the purpose of determining which, if either, is mutually acceptable to the parties as a solution.

To provide a favorable atmosphere for negotiations, both parties to the issue referred to an Ad Hoc Negotiating Committee and to encourage the trial of preliminary dispositions proposed by either Company or Union, the period of "suspension" will insulate Company from additional monetary liability. If that is involved in the case, in the following manner:

The Ad Hoc Negotiating Committee is empowered to mutually determine in an appropriate case, the amount of retroactive wage adjustment which will accompany its disposition of the case. In no event, however, will such period of retroactive wage adjustment exceed the period of time beginning with the date the grievance was originally filed and ending with the 30th calendar day following the date the Union notifies Company of their election to "suspend."

The period of suspension shall end, and the status of Company's further liability shall cease whenever either party notifies the other of its desire to submit the case to arbitration.

(5) Referral to arbitration.

(6) Withdrawal of the grievance by Union without prejudice.

Unless the parties mutually agree in writing to the waiver of the applicable time limitation in any specific instance, the failure to strictly comply with the time limits provided above shall result in:

(1) Granting, at the option of the Union, of the correction sought by the grievance if Company does not submit its "Preliminary Disposition" within the time limits set forth in Item (b) of this Part B, or

(2) The closure of the case without adjustment and without prejudice.

Either party may request a Review Committee hearing. Such hearing will be scheduled at the earliest time possible, but shall not delay or extend the running of time limits set forth in Part B of this Procedure.

Exhibit XI

(Applicable to Titles 200 and 300)

It is recognized that Company has the right to have work done by outside contractors. Company will not make a contract with any other firm or individual for the purpose or with the effect of dispensing with the services of employees who are engaged in maintenance, operating or construction work.

Such displaced employees will be given seven calendar days to prioritize the hiring hall positions if elected. Assignments into the prioritized positions will be based on seniority and qualifications. However, this will not result in an employee being placed into a classification having a higher wage rate as provided for in Sections 206.1 and 306.1.

4. In the event an employee is displaced into a department that is contracting, the following will apply: Departments included in Letter Agreement 95-54 will be required to absorb the displaced employees or cease contracting before executing subsequent displacements. Company is to assure that all contractors furnish, on a departmental basis, all payroll, including benefits, for each pay period. Failure on the part of the company or contractor to comply with this agreement shall result in immediate cancellation of the contract between the Company and the contractor.

3. On a quarterly basis, Company shall hire additional bargaining unit employees in the event hours worked by bargaining unit personnel and contractors exceed 20% of the total number of hours worked by bargaining unit employees for the previous twelve months. The number of employees to be hired will be equivalent to the numbers of hours worked by contractors and hiring hall personnel in excess of 20% divided by 2080.

(Continued from Page 17)

B. REVIEW COMMITTEE PROCEDURE

After the Pre-Review Committee meeting, referrals not disposed of shall automatically be added to the Review Committee Agenda.

(i) Cases for which preliminary grounds for settlement have been reached in the Pre-Review Committee meeting shall have priority over other cases. The parties shall, as expeditiously as possible, determine whether the preliminary grounds are dispositive of the matter. In the event it is not, the matter shall be treated in the same manner as any other referral.

(ii) Other referrals - Within 30 calendar days of docketing a grievance, the Company shall submit, in writing, a "Preliminary Disposition" of all new cases placed on the Agenda. Company may have a continuance for an additional 30 calendar days or until the next Review Committee meeting, whichever is later, to submit such Preliminary Disposition.

(iii) After receipt of the Preliminary Disposition, Union shall have 30 calendar days or until the next scheduled Review Committee meeting, whichever is later, to submit to the Company a "Counter-Preliminary Disposition."

(iv) After receipt of Union's "Counter-Preliminary Disposition," a matter may, at the option of either party, be set over to the next scheduled Committee meeting if, in the view of either party, compromise or settlement appears possible. Within 30 calendar days thereafter or at the conclusion of the next scheduled meeting, whichever occurs later, the matter must be disposed of by mutual agreement, in writing, by one of the following methods:

(1) Settlement.
(2) Acceptance of Company's "Preliminary Disposition."
(3) Acceptance of Union's "Counter-Preliminary Disposition."

(C) PANEL OF ARBITRATORS

An Arbitration Board shall be appointed on each occasion that a grievance is timely submitted to arbitration pursuant to the foregoing provisions of this Title. The board shall be composed of two members appointed by Company, two members appointed by Union, and one impartial third person appointed by the Administrator of Arbitration and the Union Business Manager as representative of the Association of Arbitrators.

If a matter so suspended has not been referred to an Ad Hoc Negotiating Committee for interim negotiations within 15 calendar days of the receipt of the case from the Review Committee and, provided further, if no other disposition is made within that time period, the case may, within five calendar days of the expiration of said 15 calendar days, be filed for arbitration pursuant to the applicable provisions of the applicable Labor Agreement then in effect between the parties. If not filed for arbitration or if the 15 calendar day limits are not waived as provided for hereunder, or if the grievance has not been withdrawn, the grievance shall be considered finally settled without prejudice.

To provide a favorable atmosphere for negotiating a settlement of the issue referred to an Ad Hoc Negotiating Committee and to encourage the trial of preliminary dispositions proposed by either Company or Union, the period of "suspension" will insulate Company from any liability, if that is involved in the case, in the following manner:

The Ad Hoc Negotiating Committee is empowered to mutually determine in an appropriate case, the amount of retroactive wage adjustment which will accompany its disposition of the case. If no agreement, however, will such period of retroactive wage adjustment exceed the period of time beginning with the date the grievance was originally filed and ending with the 30th calendar day following the date the Union notifies Company of their election to "suspend." The period of suspension shall end, and the insolation of Company of further liability shall cease whenever either party notifies the other of its desire to submit the case to arbitration.

The Committee will meet thereafter, as often as both parties deem necessary to effect an early disposition of the issues involved. The Committee is empowered to render a final, binding disposition of the case. Such decision will be reduced to writing, signed by both Union and Company, and distributed to each employee's Union and Company's management. Each party will have the option of either party, to appeal the decision.

If an Ad Hoc Negotiating Committee is unable to reach a disposition of the "suspended" case within 180 days of the date the case was suspended, and if within that period of time neither party has notified the other in writing of their intent to submit said case to arbitration, then at the expiration of said 180 days, the case shall be automatically closed without prejudice, unless there is mutual agreement that the case be terminated by other means.

While "suspended," the preliminary disposition proposed by either party may, upon mutual agreement of the parties, be placed into effect anywhere without prejudice to either party. If both parties have submitted preliminary dispositions that provide for different methods of resolving the issues, either or both may, but mutual agreement, be put into effect for the purpose of determining which, if either, is mutually acceptable to the parties as a solution.

To provide a favorable atmosphere for negotiating a settlement of the issue referred to an Ad Hoc Negotiating Committee and to encourage the trial of preliminary dispositions proposed by either Company or Union, the period of "suspension" will insulate Company from any liability, if that is involved in the case, in the following manner:

The Ad Hoc Negotiating Committee is empowered to mutually determine in an appropriate case, the amount of retroactive wage adjustment which will accompany its disposition of the case. If no agreement, however, will such period of retroactive wage adjustment exceed the period of time beginning with the date the grievance was originally filed and ending with the 30th calendar day following the date the Union notifies Company of their election to "suspend." The period of suspension shall end, and the insolation of Company of further liability shall cease whenever either party notifies the other of its desire to submit the case to arbitration.

E. If the Participant has five, but less than 15 years of Service with one or more employers at the date of disability: a period equal to the Participant's length of service with an employer.

F. If the Participant has 15 or more years of service with one or more employers at the date of the disability: the date of the Participant's retirement under the provisions of the Company's Retirement Plan.

G. The date on which it is determined that a Participant has capabilities to perform the duties of another classification which an employer has made available to the Participant. Such determination by Company that an employee has the capability to perform such duties may be made at any time following the Initial determination of disability. (Amended 1/1/00)

H. The date on which it is determined that the disabled employee is employed by anyone (including himself) other than employer and such employment provides remuneration of substantial amount in relation to Long Term Disability benefits. The determination of remuneration of substantial amount for a self-employed Participant will be made by measuring a Participant’s income over a period of 12 consecutive months. The term “remuneration of substantial amount” means more than 50 percent of the basic monthly rate of the Participant’s regular classification in effect on the last day the Participant worked prior to becoming disabled, plus any adjustments made to the Participant’s benefit while on LTD. The term “Participant’s income” includes gross wages and commissions and net profit before taxes from self-employment..

In order to determine if a Participant is eligible to continue to receive Long Term Disability benefits, the participant may be required to submit a verification of earnings. Failure to provide a verification of earnings during 10 days of request will result in discontinuance of the Participant’s benefits. (Added 1/1/99)

PART B

The Company will pay all of the premiums for medical plan coverage applicable to a Participant who is not receiving Medicare benefits for the period of Long Term Disability eligibility. Medical premiums for Medicare eligible Participants will be first paid by Medicare and the Company will be the second payer. The Company will reimburse the Participant for monthly Medicare premiums. (Amended 1/1/00)

PART III

RETIREMENT PLAN

3.06 BASIC PENSION BENEFIT FORMULA (Amended 1/1/00)

A Participant whose Service continues to Normal Retirement Date or beyond 2/ may be entitled to a Basic Pension payable on Actual Retirement Date and on the first day of each month thereafter as long as the Participant lives. 3/ The monthly amount of the Basic Pension will be the largest of the amounts produced under (a), (b) or (c) below, and the amount so determined shall take the place of all other retirement income to which a Participant might otherwise have been entitled under any suspended Plan of an Employer or predecessor Company.

2/ See Section 3.09 for the conditions under which this may occur.

3/ See Section 3.10 for the conditions under which other forms of Pension may be substituted for the Basic Pension.
benefits of any kind. This rate of pay will be increased by 2.75% for all clerical Employees who receive the 1988 Lump Sum payments; or by 3.75% for clerical Employees who receive the 1986 and 1988 Lump Sum payments, in accordance with the Clerical Agreement, or by 4% for the Pacific Gas Transmission Company Employees who receive the 1991 PG&E Lump Sum payment. (Amended 1/1/91)

(iv) The minimum Basic Weekly Pay amount in (a) above shall be adjusted to reflect the general wage increases which is effective on January first of each year. (Added 1/1/91)

(v) ADDITIONAL RETIREMENT INCOME (Amended 1/1/91)

Each Participant shall upon retirement, in addition to the monthly pension benefit provided for in Subsection 3.06(a) above, be entitled to additional monthly Pension income, as computed below, for shift premiums, Sunday premiums, and nuclear premiums.

Additional Retirement Income is computed as follows:

The actual straight-time compensation received by Participant for shift premiums, Sunday premiums, and nuclear premiums during Participant’s last calendar year prior to retirement shall be totaled and divided by the total number of weeks worked in that year (52 weeks in a year) which will result in an average premium per week. In computing the actual straight-time compensation, that portion of Participant’s compensation which, when added to Participant’s Basic Weekly Pay, exceeds $200,000 for 1989, multiplied by the adjustment factor prescribed by the Secretary of the Treasury under Section 415(c) of the Internal Revenue Code for years beginning after December 31, 1989, shall be discarded in calculating Additional Retirement Income. The average premium per week will then be multiplied by the current factor which will result in a monthly benefit per year of Service amount. The factor referred to is computed on the effective date of any Plan amendment by dividing applicable first year Monthly Benefit Per Year of Service amount by the maximum Basic Weekly Pay provided for that month amount. For example, assuming the 1989 Pension Initial applies to a Participant who retires in any year of the contract term, the factor would be $53.32/0.0620 (effective until January 1, 1997). The above adjustment shall apply to those Participants who are receiving Long Term Disability Pension or a Joint Pension, will be increased as follows:

Effective December 31, 1999, the Pension of any Participant who actually retired from the bargaining unit represented by Union or the Pension of a person receiving a Spouse’s Pension or a Joint Pension, will be increased as follows:

Increase
Retired on or before 12/31/90 9.0%
Retired between 1/1/91 and 1/6/99 6.3%
Retired between 1/7/99 and 12/31/04 2.5%

A minimum monthly increase of $50 will be provided to retirees with at least 30 years of Service and a retirement date on or after normal retirement age. A minimum monthly increase of $65 will be provided to surviving spouses of such retirees. (Amended 1/1/94)

The above adjustment shall apply to those Participants who are receiving Long-Term Disability Benefit payments. (Added 1/1/94)

3.07 EARLY RETIREMENT PENSION BENEFIT FORMULA

If a Participant’s Service ends after the first day of the month following said Participant’s 55th birthday, and before Normal Retirement Date or death, the Participant shall elect to receive either:

(a) A Basic Pension computed as provided in Section 3.06 or Marital Pension computed as provided in Section 3.10(b), whichever is applicable, payable beginning with Normal Retirement Date; or

(b) An Early Retirement Pension with payments to begin on the Participant’s Early Retirement Date and to continue on the first day of each month thereafter as long as Participant lives. Early Retirement Date is the date selected by the Participant for commencement of payment of retirement benefits. This date must be the first day of any month prior to the termination of Service and before the Participant’s 65th birthday. To elect an Early Retirement Pension, Participant must notify the Employer in writing at least 30 days before the Early Retirement Date the Participant selects.

The monthly amount of the Participant’s Early Retirement Pension 4/ will be as follows:

(1) If Participant has less than 15 years of Service on the Early Retirement Date, the amount of the Basic Pension shall be reduced by one-fourth of one percent for each month (three percent per year) between Participant’s Normal Retirement Date and Participant’s Early Retirement Date; or

(2) If Participant has at least 15 but less than 30 years of Service and is 62 years of age or older on the Early Retirement Date, the amount shall be the Participant’s Basic Pension computed to the Participant’s Early Retirement Date; or

(3) If Participant has at least 15 but less than 25 years of Service and is 62 years of age on the Early Retirement Date, the amount of the Basic Pension shall be reduced by one-fourth of one percent for each month (three percent per year) by which Participant’s Early Retirement Date precedes Participant’s 62nd birthday, and further reduced by 1/12th of one percent per month (one percent per year) by which Participant’s Early Retirement Date precedes Participant’s 60th birthday; or (Amended 1/1/81)

(4) If Participant has at least 25 but less than 30 years of Service and is less than 62 years of age on the Early Retirement Date, the amount of the Basic Pension shall be reduced by one-fourth of one percent for each month (three percent per year) by which Participant’s Early Retirement Date precedes Participant’s 62nd birthday; or (Added 1/1/81)

(5) If Participant has at least 30 years of Service and is 60 years of age or older on the Early Retirement Date, the amount shall be the Participant’s Basic Pension computed to the Participant’s Early Retirement Date; or (Added 1/1/81)

(6) If Participant has at least 30 but less than 65 years of Service and is less than 60 years of age on the Early Retirement Date, the amount of the Basic Pension shall be reduced by one-half of one percent for each month between Participant’s 59th and 64th birthdays (a maximum of six percent (6%) for that one year) and further reduced by one-fourth of one percent for each month three percent per year, by which Participant’s Early Retirement Date precedes Participant’s 65th birthday; or (Amended 1/1/88)

(7) If Participant has at least 65 but less than 69 years of Service and is 65 years of age or older on the Early Retirement Date, the amount shall be the Participant’s Basic Pension computed to the Participant’s Early Retirement Date. (Added 1/1/01)
