*Immediate job opening for an **Electric Troubleman (Full Time, Regular)** headquartered in Tonapah, Nevada. The position offers a starting wage of \$46.28/hour with a potential for an additional 2% Safety Bonus.*

How to Apply: Visit our [career website](http://www.nvenergy.com) at www.nvenergy.com.

Job Responsibilities & Qualifications: The successful candidate will have at least two (2) years of experience as a Lineman, engaged in performing any overhead and underground work in connection with maintaining electric service to the public. You will also be required to perform the installation of all types of customer services, including risers and terminal connections when the service is to be underground, meters and materials, replacing line and transformer fuses; patrolling, switching, restoring service on "no light" and "no power" calls and operating unattended substations. Must be qualified to perform switching. May install Company owned customer outdoor lighting service equipment, may make short secondary extension using bundle conductors and may perform emergency maintenance and/or repairs to overhead and underground secondary and primary circuits which he is equipped to handle. May do minor repairing on customer's equipment.

A Troubleman may work alone or may have additional personnel assigned to assist him. May be required to work with Apprentices. Must be qualified to work with the public.

A Troubleman shall be required by Company to reside within a thirty-five (35) mile radius of the Company headquarters to which they regularly report. The successful applicant will be required to pass a written test, climbing test and interview.

Benefits: NV Energy offers competitive medical, dental and vision insurance plans. Other important benefits at NV Energy include life insurance, wellness, flexible spending accounts, tuition reimbursement, 401(k) with a Company match (6%), and additional plan options.

If you enjoy the great outdoors, small town atmosphere with big city amenities and no income tax, this opportunity is one you don't want to miss!

NV Energy is an Equal Opportunity/Affirmative Action Employer
