Dear Mr. Dalzell:

The Company proposes to temporarily suspend the residency requirements established under LA 10-01, for the classification of Electrician – Switching, 50070742 (0494) in the Electric Maintenance Line of Progression until such time as this agreement is canceled by either the Company or the Union. If canceled by either party, after the 180 day period of notice, all Electrician - Switching employees (i.e. incumbents, bidders, and outside hires) shall be required to meet the residency requirements set forth in LA 10-01 and Section 3.5 of the Physical Agreement. Electrician - Switching employees who do not meet the residency requirements shall be subject to demotion in accordance with Section 206.15.

If you agree, please so indicate in the space provided below and return one executed copy of this letter to the Company.
