

A MESSAGE FROM YOUR UNION  
**YOU'RE INVITED**

to an **All Hands** TeleTownHall for IBEW 1245  
represented PG&E clerical members

*A letter from Tom Dalzell*

**Automation and technology are impacting all sectors of our economy**—and unfortunately, we are not immune. As change comes to PG&E, we want to keep you up to date on what we know and how we are working to get ahead of these challenges.

Please join me and senior union staff via TeleTownHall on September 26th for a report on how new developments regarding automation at PG&E may affect our work.

**Joining the tele-town hall is easy.** We will call the phone number we have on file for you on Tuesday, September 26th at 7:30 p.m., and if you would like to join in, just stay on the line and we will automatically connect you. If you do not receive a call, please call **(844) 857-2170** to join. You can update your information anytime by visiting <http://ibew1245.com/ourunion/change-of-address/>.

In Solidarity,

*Tom Dalzell*
