Dear Mr. Dalzell:

In 2015, the parties agreed to Letter of Agreement 15-07 and by doing so created a career path for the Towerman classification (Code 50010430) to move into the General Construction (GC) Line of Progression. This career path was then updated with the language of Letter of Agreement 17-40 which eliminated the Pre-Apprentice Lineworker classification.

Following the implementation of the above agreements, the parties have recognized a need to clarify the bidding rights from the Towerman position to GC Apprentice Lineman (Code 50449567). Specifically, the two prior agreements noted that top of the rate Towermen will be released from the five-year lock provided for in Letter of Agreement 07-33 to bid to Title 300 General Construction Apprentice Lineworker positions.

Going forward, the parties agree that the above release from the Letter of Agreement 07-33 lock to bid is only to those GC Apprentice Lineman positions in the Electric Transmission organization. The employee will no longer be released from the provisions of Letter of Agreement 07-33 to bid to Title 300 GC Line positions in distribution.

All other terms and conditions of Letters of Agreement 15-07 and 17-40 are to remain in effect in regard to the Towerman position.

If you agree, please so indicate in the space provided below and return one executed copy of this letter to the Company.

Very truly yours,

PACIFIC GAS AND ELECTRIC COMPANY
