Dear Mr. Dalzell:

The Company and Union entered into Letter Agreement 20-39 which identified steps the Company has taken to ensure that emergency and critical work continues during the COVID-19 health crisis. Specifically, the Company and Union agreed to seek employee volunteers in Electric, Gas and Generation operations to remain sequestered at onsite work locations. The purpose of sequestration is to promote worker health and safety while maintaining critical infrastructure operations during the COVID-19 health crisis.

The parties discussed the Company's continued need to prepare for, and/or continue possible sequestrations; therefore, the parties agree that Letter Agreement 20-39 will be extended, under the same terms and conditions, to March 31, 2021.

This agreement may be extended by mutual written agreement of the parties.

Very truly yours,

PACIFIC GAS AND ELECTRIC COMPANY
