Dear Mr. Dean:

The Company has encountered several schedule changes to the AMI SmartMeter™ deployment plan resulting in delays impacting the dispatch of Wellington Installers. The Company experienced an ongoing need for Meter Readers in the Bakersfield area and proposes to temporarily utilize four Wellington Installers to perform meter reading work while awaiting deployment to perform meter installations. The Company proposes to establish a hiring hall Installer/Meter Reader - *Exp* (SAP 50234728) and *Hiring Hall Installer Meter Reader-Inexp* (SAP 50109863) classifications for temporary assignments. The Installer/Meter Reader combination classification will require successfully passing the *Work Orientation Inventory (WOI)*, and all other qualifications *required by the Company and* required of Meter Readers (e.g., drug/alcohol, background check, etc.). This classification is also covered under the DOT random drug testing program. This classification was established as a single rate classification paid \$19.20 per hour [2021 rates are \$43.25 (SAP 50234728) and \$29.84 (SAP 50109863)], equivalent to Hiring Hall Meter Reader and as a Title 300 Hiring Hall employee.

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to the Company.

Very truly yours,

PACIFIC GAS & ELECTRIC COMPANY
