

## HAVE YOU CONSIDERED A CAREER IN SHASTA LAKE?

*The City of Shasta lake is nestled right next door to the mighty Lake Shasta, the largest reservoir in the State of California! We are considered a recreational wonderland, featuring world class boating, biking, hiking, paddling, and fishing. We enjoy a boat launch 10 minutes from the office, be in the water 15 minutes after you are off shift. Current schedule: 7AM-3:30PM, Opportunity to be home on-time nearly every night.*

*Most of all, Shasta Lake is a community of people who are proud to call this place their home. Additionally, we have the conveniences of being located next to a full service larger community hub with additional medical, education, and shopping opportunities.*

*The City celebrated its 30th Anniversary in 2023 and recently opened the doors to the New City Hall, Community Center, and Visitor Center. We will also soon be moving into our remodeled electric operations and administration building. It is an exciting time here in Shasta Lake. Feel free to ask questions and come see what all the excitement is about!*

## THE CITY ORGANIZATION

The City of Shasta Lake is a full service City. We operate our own Water, Wastewater, Electric, Development Review, Administrative, and Support Services.

Our City Council has a reputation for working together for community prosperity by promoting community cohesiveness, job development, tourism, commercial and industrial strength, civic cleanliness, security for people and their property and strong family values.

The City understands the importance of the “team approach!” we work together, have fun together, and make together decisions for the betterment of the community.

Career Opportunity

### ELECTRIC LINEMAN

\$65.63 Hourly Rate  
(IBEW Represented)

## THE JOB

We are seeking a **Journeyman Lineman with integrity and a strong work ethic**; Candidate should have at least one year working experience upon completion of a City and IBEW approved apprenticeship. Duties include constructing and maintaining all aspects of Distribution and Transmission electrical systems. This includes but is not limited to setting poles, changing transformers, rubber gloving energized conductors, splicing cable, switching, installing meters, and maintaining streetlights. The Lineman must be able to operate digger derricks, climb poles, and work out of a bucket truck at elevated heights, work alone and with others to troubleshoot the City's electrical system, perform work in a safe manner and complete other duties as assigned. The Lineman shall have completed a certified rubber glove training program, as well as be familiar with hot stick techniques. The Lineman must have (or be able to obtain within 3 months) a California Commercial Class A driver's license and must be able to complete and maintain all certifications and conditions of employment. Paid On-Call required every 5-6 weeks. The city owns/operates 115kV/12kV Substations. Complete AMI (w/ Remote Disconnects) & SCADA Monitoring Systems.

## THE IDEAL CANDIDATE

The ideal candidate should be familiar with California GO 95 and GO 128 general orders, as well as Cal OSHA regulations.

## BENEFITS

Excellent benefit package including CalPERS retirement (2% at age 60 PERS retirement plan "Classic" members or 2% at age 62 for new PERS retirement plan members), 20 days paid time-off accrual allowance each year for first four years (increases with length of service), 10 days of sick leave accrual per year, and 11 paid holidays per year. The City pays a large portion of the monthly premiums for health, dental, and vision benefits, The City also offers long and short term disability plans and a life insurance policy at no employee cost.
