Mr. Bob Dean, Business Manager

Dear Mr. Dean:

The Company and Union met to discuss the challenges of retaining and attracting specific classifications within specific headquarters and General Construction (GC) locations in the San Francisco, Peninsula, De Anza, East Bay, and Mission divisions. This agreement addresses critical staffing levels within specific headquarters and GC locations, listed in Tables 1 and 2, and Company efforts to attract and retain employees into specific classifications listed in Table 3. Based on these discussions, the parties have agreed to the following:

### **Hourly Wage Premiums:**

Effective January 1, 2024, employees who are regularly headquartered at eligible headquarters or locations (listed in Table 1) and in eligible classifications (listed in Table 3) are eligible to receive a fifteen percent (15%) hourly wage premium.

Effective January 1, 2024, employees who are regularly headquartered at eligible headquarters or locations (listed in Table 2) and in eligible classifications (listed in Table 3) are eligible to receive a ten percent (10%) hourly wage premium.

The 10% and 15% hourly wage premiums are not pension eligible and will not be included in the "Basic Weekly Pay" for the purpose of calculating benefits under Part II (the Final Pay Pension) of the Pacific Gas and Electric Company Retirement Plan, Covered Compensation under Part III of the Pacific Gas and Electric Company Retirement Plan, and Covered Compensation under the Retirement Savings Plan for Union-Represented Employees.

### **Bid Locks:**

All future employees who are hired, assigned, placed, or bid (after the execution date of this agreement) into one of the classifications listed in Table 3 and report to a headquarters or location listed in Tables 1 or 2 will be subject to a "bid lock" for three (3) years, and may not bid for a position into any other job or location, with the following exceptions:

- Employees (future and incumbent) may bid or transfer for promotions/demotions that are within their line of progression and headquarters/locations.
- Employees (future and incumbent) may bid between Title 200 and Title 300 positions only within their current headquarters/locations (e.g., Oakland Service Center to Construction Oakland).

**Incumbent Employee Voluntary Option**

Current incumbent employees (as of the date of execution of this agreement) in eligible classifications (listed in Table 3) will have a 14-day period to exercise the option of maintaining their current wages and bidding rights, or voluntarily relinquish their bidding rights in exchange for the hourly wage premium described above. Incumbent employees who accept the hourly wage premium will be bid locked in their existing headquarters/locations for three (3) years.

**Eligible Headquarters:**

The regular headquarters of eligible Title 200 classifications are listed on Tables 1 and 2.

A Title 300 regular headquarters is defined as follows:

- The current location where the employee was hired, placed, or bid in accordance with Title 305.7 or 305.5(c); and,
- Within the eligible locations in Tables 1 or 2; and,
- The employee is not eligible for the expense allowances pursuant to Title 301.4(a), Zone 3.

A transfer under the provisions of 301.1(a) or (b) or placement under 305.5(a) from a current non-eligible Title 300 location to an eligible Title 300 location will require 120 consecutive days worked at a location included in Tables 1 or 2 to be eligible for the hourly wage premium.

**Oversight Committee**

The Company and Union shall each appoint three members to be part of an Oversight Committee. The Oversight Committee will attempt to resolve any issues that may arise regarding this Letter of Agreement within forty-five (45) days. Issues that the Oversight Committee cannot resolve will be subject to the party's grievance procedure Subsection 102.3(a)(2) timelines will be waived for the forty-five (45) day period.

This agreement shall terminate on December 31, 2025 unless the parties agree in writing to an extension. The parties agree to meet and confer six months prior to the December 31, 2025 expiration to discuss.

This proposal has been discussed with Senior Assistant Business Manager Anthony Brown.

If you agree, please so indicate in the space provided below and return one executed copy of this letter to the Company.

Very truly yours,

PACIFIC GAS AND ELECTRIC COMPANY
