Dear Mr. Mitchell:

This will confirm a discussion held on this date between you and Doris Spingola of this department.

It is the understanding of the Parties that there should be no adverse impact to the bid rights of General Construction employees as the result of classification consolidations or classcode changes.

For example, where GC and Division classifications shared the identical classcode in the "next lower" category of a line of progression, GC employees have received 205.7(c) bid status and it is the intent of the parties that there should be no change as a result of a classification consolidation or classcode change.

Sincerely,

A handwritten signature in black ink, appearing to read 'David J. Bergman'. The signature is fluid and cursive, with a long horizontal stroke at the end.

David J. Bergman
Chief Negotiator
