Dear Mr. Dalzell:

Previously, the Company notified the Union of its intent to implement the Critical Classification status provisions at the Golden Gate Control Center for the Division Operator and Operator-in-Training classifications. This Critical Classification status was effective on February 14, 2005 and was to remain in effect until February 14, 2008.

The Company is currently re-evaluating the operations at Golden Gate Control Center and proposes to extend the Critical Classification status provisions on a voluntary basis through February 28, 2008.

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to Pacific Gas and Electric Company.

Very truly yours,

PACIFIC GAS AND ELECTRIC COMPANY
