Attachment A

Diablo Canyon Power Plant Pilot Child Care Program

A pilot child care program to provide in-home child care services to eligible employee dependents who are 11 years of age or younger.

Eligibility:

All PG&E employees who are headquartered at Diablo Canyon Power Plant are eligible to participate in the pilot program. This includes all regular, temporary additional and hiring hall employees. Independent contractors, vendors and agency employees are not eligible.

Pilot Program Time Frame:

The program will begin on July 1, 2010 and end on or before December 31, 2010. It may end sooner than December 31, 2010 if the amount allocated for this pilot program is exceeded.

Program Extension:

Company will review the effectiveness of the pilot program at its conclusion to determine if the program will be continued.

Employee Rates:

The Company will pay for all administrative costs of the program and provide approximately \$38.30 towards each hour of child care. The employee will pay approximately \$6.00 for each hour of child care used. These rates are currently being negotiated with the vendor and could change. Employees will be made aware of their portion of the cost prior to the program starting.

The employee payment may change after the pilot program because of contract negotiations with the vendor. As the rates are adjusted, the Company will notify the employees of these rate changes.

Cancellation of Agreement:

The Company reserves the right to cancel this agreement by giving the Union 30 days notice.

Attachment B

This is a draft copy of the proposal from BrightStar:

The following details the agreement between BrightStar SLOCA (Provider) and PG&E (Participant) for on-call in-home child care services for eligible PG&E employees (herein after referred to as Employee).

In-Home KidCare Services:

Provider shall provide in-home child care services to eligible Employee dependents 11 years of age or younger. A list of eligible Employees shall be provided to Provider on a monthly basis by Participant. It is the Participant's responsibility to provide the updated list. Care shall be provided on either an on-call or a reservation basis. All childcare shall have a four (4) hour minimum charge.

Upon verification of the Employees eligibility and registration information, a BrightStar Caregiver shall be dispatched to the designated location within two (2) hours of the request. Though not guaranteed, every possible effort shall be made by Provider for the Caregiver to arrive at Employee's home within 2 hours. Should the Caregiver be dispatched and the request be cancelled by the Employee after dispatch, a four (4) hour minimum charge shall be billed to the Employee and Participant.

Reservation for Child Care:

Reservations for child care shall be made by Employee a minimum of 24 hours in advance of care. Should an Employee give less than 24 hours notice of change or cancellation of reserved child care services, a four (4) hour fee shall be charged to the Employee.

A one-time registration fee shall be assessed for each Employee. The fee, as well as any portion to be paid by the Employee, is still to be negotiated. The fee shall apply to each family and will cover the costs of set-up of the individual family's account, regardless of the number of children.

Check-In and Check-Out:

Time sheets are provided to the Caregiver and presented to the Parent/Guardian at the end of each shift. It is the responsibility of the Employee to sign the timesheet for each caregiver assigned to their child/children. The mileage tracker shall also be presented for the Employee to sign at time of check out. Please check sheet for accuracy prior to signing the employee out. This timesheet and mileage tracker will service to invoice both the Employee and the Participant. A copy of the timesheet will be available upon request by either Employee or Participant at any time.

Scheduling/Substitution and Supervision of Employees:

Provider reserves the right to substitute caregivers at its discretion and to make supervisory visits. Every effort will be made to provide a caregiver; however, Provider cannot guarantee scheduling.
