Attention: Mr. Ronald T. Weakley, Business Manager

Gentlemen:

Mr. Jerome W. Wallace, Apprentice Electrician, Electric T & D, East Bay Division, is, in Company's opinion, qualified to be a journeyman Electrician, provided his work is limited to Electric Underground operation, maintenance and construction. Company, therefore, proposes to promote Mr. Wallace to Electrician under the terms of the recent settlement with the understanding that he not be considered a qualified bidder to Electrician in any other department until such time as he meets the requirements agreed to for progression to Substation, Hydro Maintenance, Power Plant, Central Stores, or Pipeline Electrician. Such promotion is to be effective December 10, 1966.

If you are in accord with the foregoing proposal and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to Company.

Yours very truly,

PACIFIC GAS AND ELECTRIC COMPANY
