Dear Mr. Dalzell:

In Letter of Agreement 16-42-PGE, the Company and Union agreed to continue transitioning manual meter reading functions and personnel as outlined in previous applicable Letter of Agreements. All regular status Senior Meter Readers and Meter Readers were placed in newly created Senior Routine Meter Person (PIO) or Routine Meter Person (PIO) classifications until such time as their positions are eliminated due to lack of work. Under Letter of Agreement 16-42-PGE, impacted employees are provided the option to elect **voluntary** severance when an actual severance date has been determined by the Company based on business need.

For employee **voluntary** severance dates that occur after January 29, 2019, as identified above, and under provisions of Letter of Agreement 16-42-PGE, the Company and the Union agree that the specific terms of Letter of Agreement 16-42-PGE are intended to supersede any requirements under SB901 triggered by PG&E's filing of a petition for Chapter 11 bankruptcy.

If you agree, please so indicate in the space provided below and return one executed copy of this letter to the Company.

Very truly yours,

PACIFIC GAS AND ELECTRIC COMPANY
