Dear Mr. Dalzell:

The parties have been discussing Overtime Eligibility for Environmental Field Specialists under the existing Letter of Agreement (LA) 09-11.

The Company proposes to bring the Environmental Field Specialists in line with other monthly classifications and eligibility for overtime. Specifically, LA 09-11, under Overtime Eligibility, paragraph 2, shall be amended as follows:

“Employee works at least one hour beyond the normal daily work schedule, or works on a non-work day. On normal work days, only the time beyond the initial one hour beyond the normal schedule will be compensated.”

This amendment is effective as of March 18, 2019.

The remainder of LA 09-11 is incorporated herein by reference and remains unchanged.

If you agree, please so indicate in the space provided below and return one executed copy of this letter to the Company.

Very truly yours,

PACIFIC GAS AND ELECTRIC COMPANY
