Attention: Mr. L. L. Mitchell, Business Manager

Gentlemen:

In order to provide the employees who man the "Pony Express" service with a three-day holiday over the upcoming Fourth of July weekend, the Company proposes to consider Sunday, July 4, 1976, which is the first day of the basic workweek of the employees involved, as Independence Day and permit them to take the day off with pay. The work hours of July 5, 1976, will be considered as a regular work day, and no overtime will be paid for the regular work hours of that day. This will permit the employees to have Friday, Saturday, and Sunday off, which gives them a three-day weekend without loss of pay.

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to Company.

Yours very truly,

PACIFIC GAS AND ELECTRIC COMPANY
