Mr. Bob Dean, Business Manager
Local Union No. 1245
International Brotherhood of
Electrical Workers, AFL-CIO
P.O. Box 2547
Vacaville, CA 95696

Dear Mr. Dean:

The parties have recently identified that Letter of Agreement No. 22-34 had not fully identified all classifications considered as same or higher to the Crane Surveyor classifications. After a review the parties have agreed to update the Line of Progression to ensure the appropriate classifications are considered and that provisions are clearly noted for Title 200 bidders.

The update to the three Crane Surveyor classifications is included in this agreement as Attachment 1.

This clarification will be added to the Field Employees - General Construction Line of Progression, Section 600-13, Exhibit VI-M, with the next scheduled update to the Job Definitions and Lines of Progression (JDLOP).

This agreement has been discussed with Sr. Assistant Business Manager Anthony Brown.

This agreement may be cancelled by either party with 30 days' notice.

If you are in agreement with the above, please so indicate in the space provided below and return one executed copy of this letter to the Company.

Very truly yours,

PACIFIC GAS AND ELECTRIC COMPANY
