Attention: Mr. Ronald T. Weakley, Business Manager

Gentlemen:

On February 8, 1954 Company submitted a proposed letter agreement to increase the weekly wage rate for the Utilityman classification in the Water Distribution Department at Colfax from \$85.85 to \$86.85. You did not accept such proposal. General increases and adjustments which have been made since the date of our proposal would bring the latter rate to \$90.25.

The original proposal was based on the following breakdown of duties: Apprentice Lineman 3%, Water Serviceman 30%, Pipe Fitter 10%, Welder 25%, Mechanic 7%, and Sub-Foreman 25%.

Company therefore proposes that the Utilityman classification, with the foregoing breakdown of duties, be established with a wage rate of \$90.25 per week. The job is currently held by Mr. S. C. Ballenger.

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided below and return one copy of this letter to Company.

Yours very truly,

PACIFIC GAS AND ELECTRIC COMPANY

By *J. H. Carr*
Manager, Personnel Department.

The Union is in accord with the foregoing and it agrees thereto as of the date hereof.
