Attention: Mr. Ronald T. Weakley, Business Manager

Gentlemen:

Attached are proposed revisions of pages 6, 7, 9, 11, 12, 13, 14 and 17 of Exhibit VI-B to the physical Agreement which Exhibit was effective January 1, 1957. The revision of page 13 is the result of the proposed establishment of the classifications of Assistant Control Operator and Shift Helper at Humboldt Bay Power Plant.

The revision of the other pages was made necessary by the establishment of these classifications at Humboldt Bay in order to provide uniform provisions for bidding between other plants and Humboldt Bay.

If you are in agreement with the attached revised pages 6, 7, 9, 11, 12, 13, 14 and 17, please so indicate in the space provided below and return one executed copy of this letter to Company.

Yours very truly,

PACIFIC GAS AND FLECTRIC COMPANY

Manager, Personnel Department.

The Union is in accord with the attached revised pages 6, 7, 9, 11, 12, 13, 14 and 17, and it agrees thereto as of the date hereof.
