Attention: Mr. Ronald T. Weakley, Business Manager

Gentlemen:

As a result of various changes which have taken place in the classifications of Control Operator, Assistant Control Operator and Turbine Tender at Avon, Martinez and Oleum Power Plants, the seniority standing among the Operators has been confused. In order to reestablish the seniority standing of the employees in the top two classifications at these three plants, Company proposes that the attached seniority list be used for determining classification seniority for bidding between these three Plants, and between the Control Operator, and, or, Assistant Control Operator classifications.

If you are in accord with the foregoing proposal and attached list and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to Company.

Yours very truly,

PACIFIC GAS AND ELECTRIC COMPANY
