Attention: Mr. Ronald T. Weakley, Business Manager

Gentlemen:

The Company has recently established two Clerk-Machine Operator C positions in the Sacramento Division Office, one in the Electric Meter Shop and one in the Gas Meter Shop. Inasmuch as the work to be performed by these classifications involves processing of work for, and operation of, the Mohawk Data Recorder, Company proposes to appoint the two Clerk D's, Marilyn C. Irby and Darlene Bullard, who are presently assigned work which has prepared them to perform the duties of the new position. Pursuant to the provisions of Section 18.17 of the Clerical Agreement, dated July 1, 1953, as amended, these appointments are to be made without necessity of the posting and bidding procedures set forth in Title 18.

If you are in accord with the foregoing proposal and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to Company.

Yours very truly,

PACIFIC GAS AND ELECTRIC COMPANY

By W. W. Bright
