Attention: Mr. Ronald T. Weakley, Business Manager

Gentlemen:

On completion of the new Company Service Center at Burney, the present headquarters for certain clerical classifications at Fall River Mills will be transferred to Burney. Pursuant to the provisions of Sections 19.12 and 18.17 of the Clerical Agreement, the Company proposes to transfer the incumbent clerical employees to the Burney Service Center without reference to Title 18 or 19 of the Clerical Agreement, except that the employees concerned will have the right to return to Fall River Mills, as provided in Subsection 19.7(a), if such headquarters are later re-established. A list of the employees concerned, and their present classification, is attached hereto and incorporated herein.

It is further proposed that the Troublemaker who presently reports to the Fall River Mills Office will continue to receive work assignments at Fall River Mills, notwithstanding the provisions of Section 202.19 of the Physical Labor Agreement.

If you are in accord with the foregoing proposal and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to Company.

Yours very truly,
