Electrical Workers, AFL-CIO
P. O. Box 584
Walnut Creek, California 94597

Attention: Mr. Ronald T. Weakley, Business Manager

Gentlemen:

Continuing the program in effect for the past three years, Company proposes to train six employees who are in the classification of Gas Serviceman or Service Mechanic to perform the duties of Air Conditioning Serviceman. The Air Conditioning Training School at Emeryville will commence on February 10, 1969.

Additional trained employees to fill vacancies on a temporary basis are required at the following headquarters:

- 1 - Any headquarters in Solano District - Sacramento Division
- 1 - Any headquarters in Central District - San Joaquin Division
- 1 - Either the Salinas or Monterey headquarters in Coast Valleys Division
- 1 - Any headquarters in Mission District - East Bay Division
- 2 - Any headquarters in East Bay Division

Although there may be employees at the above headquarters who qualified for this training under previous programs, Company proposes to offer the qualification tests to all Gas Servicemen and Service Mechanics at any of the above headquarters who have not previously qualified.

Utilizing the same qualifying rules as used in 1966 and subsequent years, the following standard tests and required scores shall apply:

- I - Owens-Bennett Mechanical Comprehension Test - Form CC -
33 correct out of 60 problems is passing.
- II - Employee Aptitude Survey Test #5 - Space Visualization -
22 correct out of the 50 problems is passing.
- Employee Aptitude Survey Test #2 - Numerical Ability -
Part I is weighted 1/2 point per problem, Parts II and III weighted 1 point per problem. 18 points total out of the 62-1/2 points available is passing.
- Employee Aptitude Survey Test #7 - Verbal Reasoning -
6 correct out of the 30 problems is passing.

-2-

January 14, 1969

An employee will be deemed to have met the requirements if he meets requirement I and meets 2 of the 3 requirements in II with a score of not less than 15 points on the Employee Aptitude Survey Test #2 - Numerical Ability.

Selection of those to be trained from the headquarters listed above shall be made from those employees who qualified in 1969 or who qualified in previous years in order of their classification seniority as Gas Serviceman and Service Mechanic.

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to Company.

Yours very truly,

PACIFIC GAS AND ELECTRIC COMPANY

By *W. C. Bright*
Manager of Industrial Relations

The Union is in accord with the foregoing and it agrees thereto as of the date hereof.
