Dear Mr. Weakley:

Attached is a letter from Mr. Thomas H. Mellott of the Gas Construction Department. He was stationed with a crew at Needles and wanted desperately to move close to his home at Pacheco.

Due to the urgent nature of his appeal, a transfer was arranged through Mr. Michael Harrington to become effective February 17, 1969.

We are satisfied that his request warranted consideration under Section 301.16 of the Agreement. If you concur, please sign below and return one copy for our files.

Sincerely,

Enclosure

The Union agrees that the above transfer may be made under Section 301.16 of the Agreement.
