Attention: Mr. Ronald T. Weakley, Business Manager

Gentlemen:

Mr. Raymond L. Ontis, Transformer Repairman in the Electric T and D Department at Vallejo, has duties assigned to him within his job definition which provide work for approximately 70% of his time. It is intended that the remainder of his time will be spent driving a truck to pick up and deliver transformers and other materials. Therefore, Company will establish the dual classification of Transformer Repairman/Truck Driver in place of the single classification of Transformer Repairman.

Under the provisions of Section 205.19 of the Agreement, Company proposes to place Mr. Ontis in the dual classification of Transformer Repairman/Truck Driver at the top rate of each of the classifications (\$162.85 per week) without reference to the bidding procedure.

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to Company.

Yours very truly,

PACIFIC GAS AND ELECTRIC COMPANY
