Attention Mr. Ronald T. Weakley, Business Manager

Gentlemen:

Questions have arisen with respect to the calculation of classification seniority under the provisions of Subsection 205.7 (a) and 205.7 (c) of the agreement in considering bids made on vacancies in the classifications of Apprentice Electrical Technician and Apprentice Communication Technician.

Note 1 of the Lines of Progression of the Electrical Maintenance Department (Title 600, Exhibit VI-L, Page 19) provides that an Electrician or an Apprentice Electrician who is at or above the 30-month step of such classification may bid to Apprentice Technician as an Apprentice Technician.

For the purpose of calculating classification seniority of an employee who bids on such a vacancy and is in the classification of Apprentice Technician, Electrician or Apprentice Electrician at or above the 30-month step, Company proposes that time worked as an Electrician or Apprentice Electrician at or above the 30-month step shall be considered as time worked in the Apprentice Technician classification.

If you are in accord with the foregoing proposal and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to Company.

Yours very truly,

PACIFIC GAS AND ELECTRIC COMPANY

By   
 Manager of Industrial Relations

The Union is in accord with the foregoing and it agrees thereto as of the date hereof.
