Attention: Mr. Dean Cofer, Business Manager

Gentlemen:

On April 10, 1967, Mr. John A. Klobas received an industrial injury to his knee while working as an Apprentice Fitter in the Humboldt Division Gas Department. Recently, Mr. Klobas' physician recommended that he be employed in some occupation which does not require heavy repetitive use of the knee. Accordingly, Mr. Klobas has been working approximately 50% of his time as a Field Meterman.

Recently, a new Field Meterman position was established in Eureka for which there are valid prebids on file. However, Company proposes, pursuant to Sections 205.19 and 206.13 of the Physical Agreement, to place Mr. Klobas into this vacancy.

It is our understanding that Mr. Darrell Mitchell, IBEW Business Representative, is in accord with this proposal.

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to Company.

Yours very truly,

PACIFIC GAS AND ELECTRIC COMPANY

By *Alton Bright*
Manager of Industrial Relations

The Union is in accord with the foregoing and it agrees thereto as of the date hereof.
