Dear Sir :

For the past three years I've worked for P.H.C. and in all this time I've worked away from home. During this time I lost my home and belongings in a fire.

I am now buying a place in the country, which is in great need of improvements. We have four small children the oldest of which is eight. The house we are living in is much too small and we need to build.

I would appreciate it very much if you would take it into consideration and transfer me closer to my home.

I am willing to
forfeit my expenses in
order to be home, so
that I may be able
to make life better
for my family.

Thank You
Keith Smith
