Attention: Mr. Dean Cofer, Business Manager

Gentlemen:

Company proposes, pursuant to Subsection 202.16(b) of the Physical Agreement, to establish a summer-winter schedule of hours of work for the Water Treatment Plant Operator in Willits. This change is necessary to allow for important maintenance work, such as filter flushing, prior to peak load conditions which occur earlier in the day during summer months.

The summer schedule will be in effect, normally, from the first workweek in June through the last workweek in September. The hours of work will be from 6:00 a.m. to 2:30 p.m. with lunch from 10:00 a.m. to 10:30 a.m. The present hours of work will remain unchanged for the winter schedule. Those hours are from 8:00 a.m. to 4:30 p.m. with lunch from 12:00 noon to 12:30 p.m.

Mr. R. W. Gibbs, the Union Business Representative serving this area, is in agreement with this proposed change.

This agreement may be canceled by either party by giving 30 days' written notice to the other party.

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to Company.

Yours very truly,

PACIFIC GAS AND ELECTRIC COMPANY
