Attention Mr. Ronald Weakley, Business Manager

Dear Mr. Weakley:

This will confirm our recent conversation regarding bids to Clerk-Driver, Gas Transmission and Distribution department, vacancies under the provisions of Section 205.7 (e) or (f) of the Agreement.

As a Clerk-Driver is an employee who performs the regular work of an Apprentice Fitter, in addition to other duties, it is agreed and understood that future bids to such vacancies, under the provisions of Section 205.7 (e) or (f), will not be given consideration until the employee has satisfied the entrance requirements for the Apprentice Fitter classification. Further, in addition to the employee attending the Primary Shop Training School, he will be given welding experience on the job.

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to Company,

Yours very truly,

PACIFIC GAS AND ELECTRIC COMPANY
