Attention: Mr. J. K. McNally, Business Manager

Gentlemen:

The classification of Meteorological Instrumentman was established August 27, 1979. Mr. Clinton Pearson, a Water Systems Repairman in the Stockton Division, has been upgraded since that date as a Temporary Additional to this position.

Therefore, pursuant to Sections 205.19 and 206.12 of the Physical Agreement, the Company proposes to give Mr. Pearson the permanent classification of Meteorological Instrumentman without reference to the bidding procedure.

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to the Company.

Yours very truly,
