Local Union No. 1245
International Brotherhood of
Electrical Workers, AFL-CIO
P. O. Box 4790
Walnut Creek, California 94596

Amended: LA 79-19

Attention: Mr. L. L. Mitchell, Business Manager

Gentlemen:

Questions have arisen concerning bidding rights under Section 18.8 of the Clerical Agreement in Divisions where some of the functions listed under Customer Services Line of Progression in Exhibit A are assigned to the General Services or other operating department.

It was Company's understanding and intent during negotiations that where these functions were so assigned to the various operating departments it was not necessary to specifically list them in Exhibit A and that those people working in these functions would be included in the Operating Line of Progression in those Divisions.

In order to preclude grievances over bidding rights to jobs in these functions, Company proposes that the attached list of functional assignments by Division constitute the proper line of progression in each Division.

If you are in accord with the foregoing and the attachment and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to Company.

Yours very truly,

PACIFIC GAS AND ELECTRIC COMPANY
