Attention: Mr. L. L. Mitchell, Business Manager

Gentlemen:

Due to the recently revised Materials Department job definitions, duties performed by a Shasta Division Materials Department Truck Driver, Mr. J. H. Stephens, fall within the job definition of the Materials Leadman classification. Consequently, a Materials Leadman position was established and awarded to a Materials Man from the Red Bluff Service Center which is the same headquarters at which Mr. Stephens is located.

There are transfer applications on file from Materials Distribution employees for the vacated Materials Man classification at Red Bluff. Filling the vacant Materials Man classification with one of these transfer applications would result in the displacement of Mr. Stephens, who has been in the Materials Department since he was hired as a Warehouse Helper in 1964.

Consequently, Company proposes, pursuant to Section 206.13 of the Physical Agreement, to assign Mr. Stephens to the vacant Materials Man position in Red Bluff.

It is our understanding that the Union Representative serving Shasta Division is in accord with the above proposal.

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to Company.

Yours very truly,

PACIFIC GAS AND ELECTRIC COMPANY

By *J. W. Bonbright*
Manager of Industrial Relations

The Union is in accord with the foregoing and it agrees thereto as of the date hereof.
