Attention: Mr. Jack McNally, Business Manager

Gentlemen:

On February 27, 1979, Mr. Larry Christenson, then a Lineman in Redding, Shasta Division, suffered a non-industrial heart attack. On October 1, 1979, he was returned to the payroll as an Engineering Estimator. Subsequently, he passed the Senior Engineering Estimator test.

In a letter dated December 11, 1981, Mr. Christenson's doctor stated that there was no reason from a cardiovascular standpoint that Mr. Christenson could not perform the duties of a Lineman. Therefore, pursuant to Section 205.19 of the Physical Agreement, Company proposes to place Mr. Christenson into the next available Lineman vacancy in Redding.

It is our understanding that this proposal has the concurrence of Mr. Christenson and Mr. R. Hafner, Union Business Representative serving Shasta Division.

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to the Company.

Yours very truly,

PACIFIC GAS AND ELECTRIC COMPANY

By *W. Bonbright*  
 Manager of Industrial Relations
